Education

- 2025 — **M.Sc. Applied Data Science**, Malmö University, Sweden
- 2022 — **B.Sc. Computer and Automation Engineering**, Università eCampus, Italy
- 2019 — **Executive Master**, Digital Video Editing, MyWeb School, Naples
- 2010 — **High School Diploma**, Applied Sciences, Giulio Natta Institute, Rivoli

Conference Papers and Publications

- Biscalchin, A., Sarkheyli-Hägele, A., Eriksson, J., Vogel, B. (2025). *Designing Education for the AI Era*. Presented at IEEE SoftCOM 2025.
- Biscalchin, A., Sarkheyli-Hägele, A. (2025). *Multi-Agent Foundation Models for Urban Mobility*. Accepted, FLLM 2025.
- Biscalchin, A., Sarkheyli, E., Persson, J., Sarkheyli-Hägele, A. (2025). *Exploring the Role of Large Language Models in Understanding Travel Behavior*. Journal manuscript in preparation.

Research Experience

Research Assistant, Malmö University (2024–present)

- Led the development of a modular multi-agent LLM system for travel behaviour analysis (Situation–Task).
- Designed pipelines for preprocessing, contextual reasoning, and structured reporting (Action).
- Framework adopted in international publications and ongoing research projects (Result).

Master Thesis (Grade: A), Malmö University (2024–2025)

- Created a transparent multi-agent architecture for analysing elderly mobility patterns (S–T).
- Implemented agents for clustering, validation, and expert comparison (A).
- Produced system now used as base for a journal submission (R).

Course Development Project, Exploratory Data Analysis (2024)

- Migrated entire course from MATLAB to Python, improving accessibility (S–T).
- Rebuilt exercises, pipelines, and a complete open-source repository (A).
- Course now fully delivered in Python (R).

Academic Appointments

- 2024–present — Research Assistant, Malmö University
- 2022–2023 — Secondary School Teacher, Istituto Juvarra
- 2021–2023 — Head Teacher, Centro Studi Omnibus

Teaching Experience

Mathematics, Physics, Computer Science (2021–2023) — Istituto Juvarra, Centro Studi Omnibus

Professional Experience

- Full-stack Web Developer — GIGA srls (2018–2019)
- Head of IT Department — Mondadori Mega Store (2014–2015)
- Freelance Photographer/Videographer (2012–2018)
- Customs Consultant — FCA (2011–2012)
- Industrial Quality Control — Con.Top S.R.L. (2011)

Skills

Programming: Python, MATLAB, SQL, C, C++, Java, PHP, HTML

Tools: AutoCAD, Inventor, Adobe Suite, Reaper

Languages: Italian (Native), English (C2), Spanish (B1)
